#### Dear candidate,

This is to inform you that a training session on updation and verification of PBR was conducted on 18 May 2023. For some technical reasons (email moved to spam automatically), most of the participants could not attend the session. We have created a folder having relevant material required for the campaign over google drive. The link is attached to this email. It is requested to kindly download the format and get a printed copy of the PBR updation format when you visit the desirable BMC/Gram Panchayat.

In case you missed the session, kindly watch the video of the training session uploaded on the google drive folder.

It is requested to fill your details in the excel sheet which will be used as final confirmation from your side. You are welcome to mention more than one BMC name which you are willing to visit. Kindly fill the name of BMC in the excel sheet as soon as possible because it will be on a first come and first serve basis.

Please fill all the details correctly because the payment will be made on the same account.

## Report on Industrial visit to Saras Plant

Objective: The major purpose of the visit was to learn about the trends going in the largest milk industry of Rajasthan and to learn the work culture in the plant.

About the Visit: With this objective the industrial visit was conducted on 11 March 2023 under the guidance of Dr.Kulvindar Singh. The Jaipur Dairy was registered under the Cooperative Act 1965 in the March 1975. The plant started its production by procuring 250 litters of milk per day. It was commissioned in the year 1981 under Operation Flood Program started by National Dairy Development Board to provide service to thousands of rural farmers of not just Jaipur but also Rajasthan. Jaipur Dairy has license capacity to produce 6-7 Lakh Litre per Day (LLPD) however, the installed capacity is 2 LLPD and it is being 100% utilized. The Jaipur Dairy covers the area of Jaipur and Dausa. It covers 1200 villages. They have made growth in all the fields i.e. procurement, processing, production of milk in addition with several milk. Several other products of the company are Curd, Lassi, Ghee, Butter, Chhach, Paneer, Shrikhand, Flavoured Milk, Ice Cream, and Rasagulla products under the brand name of 'SARAS'. They have separate unit for quality control and testing laboratory. They also have a team of expert engineers who help in removing technical problems. The milk is the major product, which comes in four variants - Double Toned, Toned, Standard, and Gold (depending on the fat content).

Unit Name: - N.S.S Unit S.S.G.Pareek P.G. College.

Event Name:-. Extension activities during the "Seven Day Special Camp.

Event Date: - 08-03-2023 to 14-03-2023

Event Place: - College Campus, Sindhi camp and Chandpole area of Jaipur.

Objective - "To completely eliminate the manufacturing and use of single-use plastics in India'.

A seven day camp was organized from 08 March to 14 March 2023 with 50-50 volunteers of the first and second units of the National Service Scheme of S.S.G.Pareek P.G.College. The theme of the special camp was 'Polythene Free India". There are a total of 18 states in India like Maharashtra, Tamil Nadu, Odisha, Madhya Pradesh which have banned the manufacturing of plastic bags. It will be implemented in all over India. Today, plastic is emerging as a big problem not only for today but also for the future. It does not dissolve in land or water for years. And it becomes a cause of pollution and a threat to all living beings. Apart from this, if plastic is burnt, it releases toxic gases, which affects our respiratory organs. A free India should be built in which the traces of plastic should be eliminated and India should be made pollution free."

A rally for this purpose was organised by the help of N.S.S. volunteer and faculty members. The officers and associates who provided guidance in the seven-day special camp should be-

#### REPORT ON PLANTATION ACTIVITIES

Unit Name: - N.S.S Unit S.S.G.Pareek P.G. College.

Event Name: - Shahid divas

Event Date: -30.01.2023

Objective-The purpose of celebrating this day is to pay tribute to the freedom fighters who sacrificed their lives smilingly for the country.

Shahid divas was celebrated today in the college through National Service Scheme. Which was presided over by the Principal of the institution, Dr. N.M. Sharma? Dr. Anju Pareek, officer of the first unit of the National Service Scheme, said that Bhagat Singh had sacrificed his life for the freedom of India at the young age of 23 years. Seeing his passion, the youth of the country have also been inspired to fight for the freedom of the country. About 90 years ago, Bhagat Singh, one of India's great revolutionaries and freedom fighters, was hanged by the British government. On this day, Sukhdev was with Bhagat Singh and Shivram Rajguru also kissed the noose laughingly for India's independence. Shahid divas was celebrated every year on 23 March to remember the martyrdom of these three. Bhagat Singh sacrificed his life for the freedom of Mother India. Seeing this spirit of his, the youth of the country also got inspired to fight for the freedom of the country.

Dr. Meghna Pareek said that Bhagat Singh played an important role in India's freedom struggle. Seeing him, many people adopted the revolutionary path and Dr. Harlal Meel also expressed his views. On this occasion plantation activity can be done by the N.S.S. volunteers.

# Report on Participation in Yuva Mahotsava at Subodh Girls P.G.College, Sanganer, Jaipur in collaboration with Rajasthan State AIDS Control Society, Jaipur.

Unit Name: - N.S.S Unit S.S.G.Pareek P.G. College.

Event Name: -. Yuva Mahotsava

Event Date: -16.01.2023

Event Place: - Subodh College Sanganer, Jaipur.

Introduction: The Yuva Mahotsava held at Subodh Girls P.G. College, Sanganer, Jaipur, in collaboration with the Rajasthan State AIDS Control Society, aimed to engage youth in meaningful discussions and activities regarding HIV/AIDS awareness, prevention, and advocacy. Students from various colleges participated in this event to contribute to the cause and spread awareness about the importance of safe practices and eradicating stigma associated with HIV/AIDS. The students from S.S.G.Pareek P.G. College actively participated in various activities organized during the Yuva Mahotsava. Attended workshops conducted by experts from the Rajasthan State AIDS Control Society, gaining insights into HIV/AIDS prevention, treatment, and stigma reduction. Through active participation and engagement in the Yuva Mahotsava, students gained a deeper understanding of HIV/AIDS-related issues, including prevention strategies, treatment options, and the importance of destigmatization. Participating in activities such as poster making, street plays, and debates honed students' communication, creativity, and critical thinking skills, empowering them to become effective advocates for HIV/AIDS awareness.

The involvement of S.S.G.Pareek P.G. College students in the Yuva Mahotsava facilitated wider community outreach, as their contributions helped disseminate crucial information and messages about HIV/AIDS to a diverse audience. The participation of S.S.G.Pareek P.G. College students in the Yuva Mahotsava at Subodh Girls P.G. College, Sanganer, Jaipur, in collaboration with the Rajasthan State AIDS Control Society, exemplifies their commitment to social responsibility and community engagement. By actively contributing to various activities aimed at HIV/AIDS awareness and advocacy, the students have not only enriched their own knowledge and skills but have also made a meaningful impact on society by promoting a culture of empathy, inclusivity, and health consciousness.

Encourage continued participation of S.S.G.Pareek P.G. College students in similar events and initiatives aimed at addressing social issues and promoting public health awareness.

Foster collaborations with other organizations and institutions to amplify the impact of student-led initiatives and community outreach efforts in the field of HIV/AIDS prevention and advocacy.

#### Report on Health Check-up camp and AIDS awareness program

Unit Name: - Red Ribbon Club

Event Name: - Health Check-up camp and AIDS awareness program.

Event Date: - 12-01-23

Event Place: - Central Hall

Objective: -- Prevention is better than cure, this statement applies to full body check-up. If you get checked before falling ill, you can avoid the disease. Most of us ignore it, but for the betterment of your health, you should definitely get a full body check-up done once or twice a year. If you are 60 years of age or above, then get a check-up done twice a year and those younger than that should get a check-up done at least once a year.

To solve this purpose a health check-up camp was organized by the Red Ribbon Club in the college. In which the event was organized in collaboration with ASG Eye Hospital, Shri Krishnakripa Dental Clinic and Regional Ayurveda Institute, Jhotwara. The chief guest of which was Dr. Snigdha Sharma, Regional Coordinator of National Service Scheme and Professor N.K. Sharma Rajasthan University presided over the program and the Principal of the institution, N.M. Sharma welcomed the guests by presenting them a momento.

### **ACTIVITY - JOY OF GIVING**

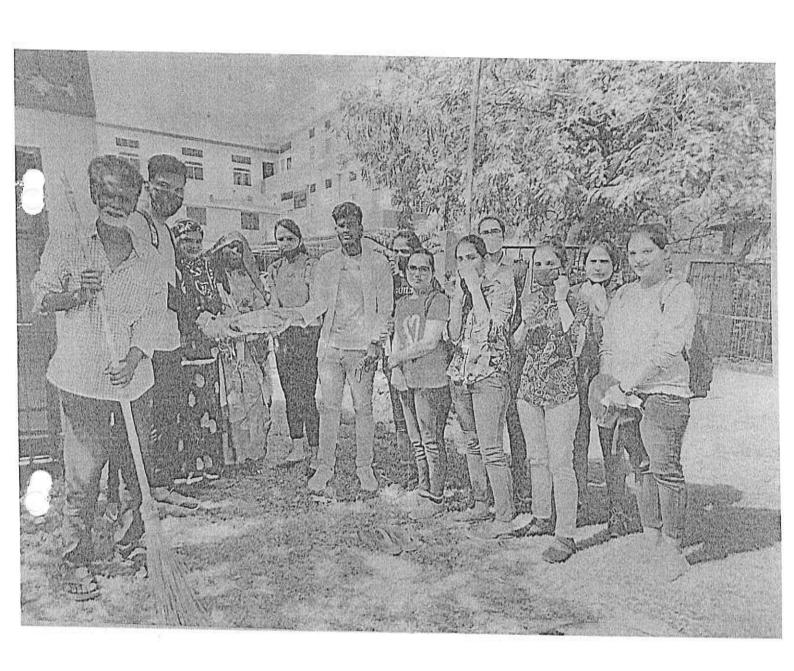

Joy or happiness is a state of mind. It is a feeling that keeps people healthy and fit. There is a famous quote 'The more you give of yourself, the more you find yourself.' There are many reasons why giving is important. It is a way to show appreciation, to say thank you, or to show someone you care. Sometimes it is hard to express true feelings in words, but offering a token of appreciation will not only represent your feelings, but will allow the recipient to know how much you appreciate them. There are many people that we come across in our everyday life that perhaps make our days easier, such as neighbours, co-workers, even mail carriers or the local cashier at the grocery store. While giving does not always have to be a gift, offering a kind word or a friendly smile goes a long way in saying thank you for all you do, and will encourage the chances of a friendly and successful relationship.

Giving food to the needy, items of use to a family whose house may have burnt, even monetary donations to a children's charity can make a huge difference. Giving is an important trait to teach children. For example, if a child helps pick out a gift for a family member who is having a birthday and presents them with this gift, it teaches them to be unselfish, how to share and to appreciate the pleasure of giving to others. Teaching by example is the best way to show a child how to give, not only gifts but in other ways as well. Time, gifts, cards or words of kindness all are a part of giving. Giving is all about getting or in other words, the more you give, the more you receive.

During Aanandam activity joy of giving activity is done by students of **S.S.SG. PAREEK P.G.COLLEGE** in different ways by :

-Distributing books to needed children

-Distributing clothes to needed people

### REPORT

### **SWACCHATA ABHIYAN**

### **ACTIVITY SUMMARY:**

On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. The campaign aims to achieve the vision of a 'Clean India' by 2nd October 2019. Swachh Bharat Abhiyan has become a 'Jan Andolan' receiving tremendous support from the people. Citizens too have turned out in large numbers and pledged for a neat and cleaner India. Taking the broom to sweep the streets, cleaning up the garbage, focussing on sanitation and maintaining a hygienic environment have become a practice after the launch of the Swachh Bharat Abhiyan. People have started to take part and are helping spread the message of 'Cleanliness is next to Godliness.'

#### Objectives

This campaign aims to accomplish the vision of 'Clean India' by 2 October 2019, 150th birthday of Mahatma Gandhi and is expected to cost over 62000 crore (US\$10 billion). The campaign was described as "beyond politics" and "inspired by patriotism".

More than 3 million government employees and schools and colleges students of India are going to participate in this event.

- To make people aware of healthy sanitation practices by bringing behavioral changes in people.
- To link people with the program of sanitation and public health in order to generate public awareness.
- To build up the urban local bodies strong in order to design, execute and operate all systems related to cleanliness.
- To completely start the scientific processing, disposals reuse and recycling the Municipal Solid Waste.

Student and staff members actively participated in this activity.

### Report on Industrial visit at 'Barefoot College' Tilonia

Objective: The objective of the visit was to give students an insight of how the only college built by and for the rural poor operates and how it is being replicated globally.

About the visit: Students of Business Management (B.B.A) were taken for an industrial visit at 'Barefoot College' Tilonia situated near Kishangarh (Ajmer) Rajasthan on 19th nov,2022. The Barefoot College is located in the Ajmer district, between vibrant villages and yellow mustard fields. The most captivating features of this college are grandmothers getting training of solar engineering, the teaching method of puppetry. The main aim behind the foundation of barefoot was to improve the quality of life of people in the rural area. This college challenged the idea that learning is related to age. One can learn at any point in life, the only thing that is required is attitude and persistence. Barefoot educated grandmothers proved to be game changer for many villages not only in India but around the world. It lit many villages with solar bulbs just by training grandmothers in Afghanistan, Africa, Gambia and the process is still on. Barefoot architects constructed 20 RWH tanks in 3 districts of Rajasthan including Ajmer, Nagaur and Barmer during 2008-2009. The tanks have a total capacity of collecting 700,000 litres of rain water annually. There are 80 Pre-Schoop Education Centres (PECs) being presently co- ordinated by BC and attende

than 2750 children in 3 districts of Ajmer, Jaipur and Barmer in Rajasthan, India. During the year the Society has been able to generate an annual income of INR 1,35,105 through fabrication and sale of solar cookers as well as its repairs and maintenance.

#### Outcome:

Through this industrial visit students learn:

- ✓ How a village can sustain on its own electricity.
- ✓ How they can create their own green environment.
- ✓ There is no age limit for being educated.
- ✓ Survival on green energy and women empowerment.

### Field Visit to Rajasthan Forestry & Wildlife Training Institute

Objective: The purpose of the visit was to make students aware of various forest management practices, conservation initiatives, and sustainable forestry. To seek guidance control measures from the Forest Department and other forestry-related issues.

About the visit: The Rajasthan Forestry & Wildlife Training Institute in Jaipur stands as a cornerstone institution in the realm of environmental conservation and forestry management in the state of Rajasthan, India. Established with a mission to foster expertise and awareness in forestry and wildlife management, the institute plays a pivotal role in training professionals, conducting research, and advocating sustainable practices. Moreover, the institute maintains extensive green spaces and model forest areas to provide hands-on training opportunities for students and professionals. Students of M.Sc. along with their faculties visited the institute on 11 Oct 2022. Various sessions were conducted by the forest department with the aim to create awareness about biodiversity among the students. In the session of apiculture students came to know about the crucial role of bees in pollination and food production. They also learnt the environmental and economic significance of beekeeping. In the session on wetland they learnt the significance of wetlands in the context of biodiversity, ecosystem services, and environmental conservation. Students also visited Kulish Smriti Van, a biodiversity forest in Jaipur. Gain a deeper understanding of the wildlife species found in Rajasthan, their

#### REPORT ON ONE DAY BLOOD DONATION CAMP

Unit Name: - N.S.S Unit S.S.G.Pareek P.G. College.

Event Name: -Gandhi Jayanti

Event Date: -02.10.2022

Objective-Purpose of donation means giving, sometimes we give some things to a person and expect that we will get that thing back from him or we will take money or something else in return. In such cases the great feeling of 'charity' is expressed. In cases where there is no desire to earn profit in return, the 'charity' sentiment should be expressed. In the modern era, blood donation is the best of all human beings. Blood donation has been named a great donation because the blood you donate saves the lives of many people, every year millions of people require blood transfusion, some are in dire need of blood transfusion during surgery. Many times, even after an accident, blood transfusion has to be done in emergency.

A blood donation camp was also organized in the college as part of a one-day camp on 2.10.2022. In which the Principal of the college, Dr. N.M. Sharma and N.S.S. Officers Dr. Anju Pareek and Dr. Meghna Pareek, Co-officer Dr. Harlal Meel and other lecturers of the college were also present.

Suman Blood Bank was called in the camp; about 40 units of blood were collected. College Management Executive Committee Secretary Mr. Laxmikant Ji Pareek and College Principal Dr. N.M. Sharma benefited the volunteers by giving them information about blood donation and it has been said that it is important to save the lives of others by donating blood again and again. Other lecturers and other students of the college should be present in the camp.
