Academic and Administrative Audit (AAA)

The main objective of the audit is to review, assess, and evaluate the performance in domains of teaching- learning process, research, extra-curricular and administrative aspects pertaining to different departments of the college.

The review process is usually carried out by internal committee members and the external academicians. As a part of the audit process, the IQAC has structured a Performa for the evaluation based on the Criteria specified by NAAC. The criteria-wise evaluation of the different departments includes:

- i. Course content
- ii. Teaching-Learning Process
- iii. Evaluation of Results.
- iv. other activities
- v. Infrastructure
- vi. Department Administration

Process Involved

The process involved for the AAA by the Internal and external members is given below.

Meeting with HODs to finalize the date

Identifying the Internal/external academicians on AAA committee

Taking consent from the Internal/external members

Schedule and the evaluation Performa

Academic and Administrative Audit (AAA)

The main objective of the audit is to review, assess, and evaluate the performance in domains of teaching- learning process, research, extra-curricular and administrative aspects pertaining to different departments of the college

The review process is usually carried out by internal committee members and the external academicians. As a part of the audit process, the IQAC has structured a Performa for the evaluation based on the Criteria specified by NAAC. The criteria-wise evaluation of the different department includes:

- i. Course content
- ii. Teaching-Learning Process
- iii. Examination and Evaluation system
- iv. Results
- v. other activities
- vi. Infrastructure
- vii. Department Administration

Process Involved

The process involved for the AAA by the Internal and external members is given below.

Meeting with HODs to finalize the date

Identifying the Internal/external academicians on AAA committee

Taking consent from the Internal/external members

Schedule and the evaluation Performa
